REGULATION OF INVESTIGATORY POWERS ACT – REVIEW OF ACTIVITY

All Wards

The subject of the decision:

The Director of Corporate Services presented a report advising the Committee that the Council, like many public authorities, was governed by the Regulation of Investigatory Powers Act 2000 (RIPA). This Act ensured that public authorities complied with their obligations under the Human Rights Act when undertaking investigations which might interfere with the rights of individuals. The Act introduced safeguards on activities such as surveillance undertaken by public bodies. The Committee had now been given responsibility for RIPA matters. This would involve the Committee reviewing the Council's Policy Statement and receiving quarterly reports on any activities which had been authorised under RIPA.

From 1 November 2012 the Council would only be able to use RIPA for directed surveillance for potential criminal activity with a possible penalty of at least six months imprisonment. This meant that the Council could no longer use the procedure for low-level offences such as littering, dog control and fly-tipping. For serious offences the Council needed approval from a magistrate before it could use directed surveillance.

Alternative options considered:

None

The reason for the decision:

To comply with the Regulation of Investigatory Powers Act 2000 (RIPA)

THE DECISION:

That:

- (1) it be noted that no RIPA activity was undertaken by the Council during the period 1 August – 31 October 2012;
- (2) the Policy Statement be re-adopted.

Alternative options considered:

INTERNAL AUDIT PROGRESS REPORT 2012/13

All Wards

The subject of the decision:

The Director of Resources presented a report informing Members of progress made to date in delivering the Internal Audit Plan for 2012/13.

Veritau was making good progress in delivering the agreed internal audit plan and there were no significant delays anticipated. Six audits out of 29 had been completed to final report stage, which represented 21% of the plan completed. Based on work so far an opinion of Substantial Assurance could be given; however as the plan was still in progress, this opinion might change to reflect the findings emerging from audit reviews later in the year.

Alternative options considered:

None.

The reason for the decision:

To take account of the work of Internal Audit to date.

THE DECISION:

That the work undertaken by Internal Audit in the year to date be noted.
