

Statement by the Cabinet Member for Corporate Management

10 April 2012

Anticipated Financial Outcome

Despite various increases in costs in some areas it is anticipated that the budget projected outturn for the year ended 31st March 1012 will be a surplus in the region of £100K. This strong financial position has been achieved by taking decisions regarding savings early and by careful planning.

During this period of change, grateful thanks are due to management and staff of the Council.

Retirements

As a result of the major review of management David McGloin and David Simpson will retire from the Council. On behalf of all members I would like to place on record our grateful thanks for their commitment and dedication to the Council. Their dedication to the high standards expected of Hambleton District Council is exemplary. Each in his own way has played a vital role in the management of the Council.

We wish them both well as they embark upon the next stage of their lives.

Management Structure Booklet

I trust that members have found the booklet useful both in identifying individual managers and also providing their contact details. It is an expectation that this will periodically be updated.
