

AGENDA

Page No

1. MINUTES

To confirm the decisions of the meeting held on 9 October 2018 (CA.30 - CA.33), previously circulated.

2. APOLOGIES FOR ABSENCE

Resources Management

3. SOWERBY SPORTS VILLAGE

1 - 6

This report recommends that elements of Phase 2 of the Sowerby Sports Village development, as outlined in the 7 November 2017 Cabinet report, are brought forward for completion earlier than originally planned. The report also requests that additional 'seed funding' is provided to local organisations to help improve sports facilities in the Sowerby area.

In accepting the recommendations, Cabinet will approve the delivery of Phase 2 of Sowerby Sports Village to be financed from Section 106 funds allocated to this project subject to agreement from the owners and developers to vary the terms of use of the communities facilities contribution under the Section 106 Agreement; the pitch works included within Phase 2 to be delivered under a contract that has been awarded through the Football Association procurement framework; and inclusion of Phase 2 of Sowerby Sports Village, as highlighted in paragraph 4.2 of the report, in the capital programme to meet costs should the developer contribution thresholds not be met in a timely fashion.

Policy and Strategy

4. REVISED LOCAL DEVELOPMENT SCHEME

7 - 24

This report presents a revised Local Development Scheme for approval. The revised timescale incorporates time for the work necessary to ensure conformity with the National Planning Policy Framework to be completed prior to publication of the plan. The timetable includes the submission milestone towards the end of 2019 and the adoption milestone before the end of 2020. A copy of the revised Local Development Scheme will be published on the Council's website.

In accepting the recommendation, Cabinet will approve the publication of the revised Local Development Scheme.

Policy Implementation

5. LEISURE AND ENVIRONMENT ENFORCEMENT POLICY

25 - 56

In 2017 Scrutiny Committee investigated whether the Council's policy on fly tipping was fit for purpose. Scrutiny Committee recommended that the current enforcement policy required updating. This report seeks approval of the Leisure and Environment Enforcement Policy. A project group made up of officers from Legal, Environmental Health, Waste and Street Scene, IT and Communications have developed a policy that covers enforcement activities across the Leisure and Environment Directorate with enforcement schedules for Waste and Street Scene and Environmental Health that sit behind so giving greater detail on enforcement options available to the services.

In accepting the recommendation, Cabinet will approve and recommend to Council the Leisure and Environment Policy for adoption.
