Resources Management

3. Bedale Leisure Centre Improvements

1 - 4

Commitment was given by Cabinet in September 2020 to a range of improvements focussed around the gym and studio at Bedale, with an allocation of £314,000 being provided from CIL funds to deliver the works. After consideration of a number of options, the project scope and deliverables for these works have now been finalised, and include the refurbishment of the health & fitness areas including the replacement of all gym and studio equipment, providing an up to date experience in line with the other Hambleton leisure centres. It is anticipated that the scheme will be delivered in 2021.

In accepting the recommendations, Cabinet will approve and recommend to Council that that capital provision of £250,000 is allocated to the 3g pitch project, with £10,000 of this being used to undertake a feasibility study and that the decision to allocate the remaining £240,000 funds is based upon evaluation of the feasibility study, with this decision being delegated to the Chief Executive in consultation with the Leader of the Council.

4. Thirsk & Sowerby Leisure Centre – Car Park Amendment Order

5 - 10

This report seeks consideration to the introduction of a Parking Order which will provide a legal mechanism to support improved management of parking, act as a deterrent to inappropriate use and thus protect the parking for use by leisure centre customers and Flatts users.

In accepting the recommendations, Cabinet will approve and recommend to Council that the making of a new Parking Order is authorised to proceed subject to consultation and includes the provisions set out in Annex A of the report, and the procedures and subsequent implementation are delegated to the Director of Leisure and Communities to deal with.
