### LICENSING AND APPEALS HEARINGS PANEL

#### PROCEDURE

1. The hearing of matters will be less formal than hearings before, for instance, a Magistrates' Court. In particular, strict rules of evidence are not adhered to and information is not provided under oath. Nevertheless, proceedings before the Panel will observe basic rules of natural justice.
2. At the beginning of the hearing the Chairman shall:-
  - ask those present to introduce themselves;
  - explain the procedure;
  - ask the parties whether they consider the public should be excluded from all or part of the hearing;
  - ask the parties whether they wish permission for another person to appear at the hearing.
3. The Panel will consider whether the public should be excluded from all or any part of the hearing. This will only be done if the Panel considers that the public interest in so doing outweighs the public interest in the hearing taking place in public.
4. The Panel will consider requests for permission for other persons to appear at the hearing. Such permission will not be unreasonably withheld.
5. The Chairman will ask the Environmental Health Manager to outline the background to the case.

6. The hearing shall take the form of a discussion led by the Panel (through the Chairman) and cross-examination shall not be permitted unless the Panel considers that cross-examination is required for it to consider the matter.
7. The Chairman is likely to ask for the views of the parties in the following order:-
  - (a) the applicant/licence holder (including any other persons who have been given permission to participate);
  - (b) any party making representations (including any other persons who have been given permission to participate).
8. The applicant/licence holder will be given the final opportunity to address the Panel.
9. The Panel may exclude disruptive persons.
10. The Panel may adjourn the hearing.
11. The Panel may ask the parties to withdraw so that it can consider its determination. In considering its determination, the Panel may ask its Legal Advisor to provide it with legal and procedural advice. The nature of this advice will be notified to the parties.
12. The Panel will make its determination at the end of the hearing and this will be confirmed in writing.
