

## **HAMBLETON DISTRICT COUNCIL**

**Report To:** Licensing and Appeals Hearings Panel  
14 December 2017

**From:** Director of Law and Governance

**Subject:** **APPLICATION FOR THE RENEWAL OF A PRIVATE HIRE VEHICLE LICENCE  
CARLTON CARS (N YORKS) LTD – PH71**

---

### **1.0 SUMMARY**

1.1 Members are asked to consider whether or not to grant an application for the renewal of a private hire vehicle licence.

### **2.0 PROCEDURE**

2.1 The procedure for licensing hearings is attached as an Annex to the Agenda.

### **3.0 LICENCE STATUS**

3.1 Since 21<sup>st</sup> December 2016, Carlton Cars (N Yorks) Ltd have held a private hire vehicle licence (plate number PH71) in respect of a Volkswagen Golf, vehicle registration mark YO02 KHV.

3.2 The licence expired on 30<sup>th</sup> November 2017. However, a renewal application was received on 15<sup>th</sup> November 2017 and private hire journeys are authorised between the date of the application and the date of determination. Effectively, the applicant may exercise continuation rights until such time as a decision is made in relation to the renewal.

3.3 A copy of the application form is attached at **Annex A**.

3.4 All applicants are required to produce the following documents before a licence will be renewed:

- a current MOT Certificate;
- proof that the licensing authority's testing arrangements have been satisfied (i.e. a test paper completed and signed by a Hambleton-based VOSA-accredited testing station); and
- a current vehicle insurance certificate or cover note which includes the carriage of passengers for private hire.

3.5 The applicant has produced the requisite documents listed in 3.3 and copies are attached at **Annex B, C & D**. The documents have been accepted and validated by licensing officers.

3.6 The MOT history of the vehicle has been taken from the GOV.UK website and is attached at **Annex E**.

3.7 The most recent data shows that, on 22<sup>nd</sup> November 2017, the recorded mileage was 203,403 miles.

3.8 According to the registration document, attached at **Annex F**, the vehicle in question was first registered on 14<sup>th</sup> August 2002.

#### **4.0 POLICY CONSIDERATIONS**

4.1 In carrying out its licensing functions, the Panel should have regard to the council's Hackney Carriage and Private Hire Licensing Policy.

4.2 In accordance with paragraph 3.2.1 of the policy, the council will generally only grant a licence in respect of a private hire vehicle if it is less than 10 years old at the time of the application. For these purposes, the age of the vehicle shall be taken from the date of first registration. The vehicle in question surpassed this general age limit in August 2012.

4.3 The Licensing Committee approved the adoption of an age policy on 11<sup>th</sup> February 2016 having satisfied itself that it was appropriate to promote public safety, reliability and improved high standards of hackney carriage and private hire services in the district.

4.4 The council's policy can (and is generally likely to) affect the outcome of the decision in most cases and this is entirely lawful. The policy is a means of securing a consistent approach to individual cases.

4.5 Each case must be considered in the light of the policy but not so that the policy automatically determines the outcome<sup>1</sup>.

4.6 According to the minutes of the meeting on 11<sup>th</sup> February 2016, the Licensing Committee acknowledged that the policy allowed exceptions to the general rule by placing a requirement on the licensing authority to consider each application on its individual merits and to depart from the general policy where the specific circumstances of a case justify making an exception.

4.7 The onus is on the applicant to demonstrate that any such exception should be made<sup>2</sup>.

#### **5.0 DETERMINATION BY THE PANEL**

5.1 Members are advised to take one of the following steps:

5.1.1 The Panel may conclude that the specific circumstances of the applicant's individual case justify making an exception from the general policy, in which case, the Panel may grant the application; or

5.1.2 The Panel may refuse to renew the licence on the grounds of any reasonable cause.

## About this document

- 1 This document is a receipt style certificate telling you that an MOT Test pass result has been recorded in the Driver & Vehicle Standards Agency's (DVSA's) database of MOT Test results; this can be verified at [www.gov.uk/check-mot-status](http://www.gov.uk/check-mot-status).
  - 2 A test certificate relates only to the condition of the components examined at the time of test. It does not confirm the vehicle will remain roadworthy throughout the validity period of the certificate.
  - 3 Check carefully that the details are correct.
  - 4 Whilst advisory items listed above do not constitute MOT failure items, they are drawn to your attention for advice.
