- 1.2 The purpose of this report is to endorse the Public Open Space, Sport and Recreation Action Plans for Knayton with Brawith and Borrowby.
- 1.3 The Council's policy states that each Action Plan must comply with the following:
 - Ascertain what is already provided
 - Consider public open space, sport and recreation projects that are included in the local Community or Parish Plan to identify existing need
 - Includes consultation with community groups that manage public open space, sport or recreation facilities to identify future need
 - Includes consultation with the District Council Elected Member(s), the Local Area Forum, the local Area Partnership

- 2.1 This links primarily to the Health priority of the Council.

3.0 FINANCIAL IMPLICATIONS:

- 3.1 The main method of delivery of S106 allocations is to passport external funding from developers to community groups. Funds will not be committed or released to organisations until the Council has received the monies from the developer.
- 3.2 Action Plans will be subject to 12 monthly reviews to determine progress to ensure that the projects are still relevant and viable.

4.0 LEGAL IMPLICATIONS:

- 4.1 There is a legal responsibility upon the Council to ensure this funding is used in a way consistent with the individual S106 Agreements.

5.0 SECTION 17 CRIME AND DISORDER ACT 1998:

- 5.1 Some of these projects have the potential to reduce crime and disorder through providing diversionary activity for young people.

6.0 EQUALITY/DIVERSITY ISSUES:

- 6.1 All projects in receipt of this funding should have equal access and be available for the general public to use.

7.0 RECOMMENDATION(S):

- 7.1 It is recommended that the Public Open Space, Sport and Recreation Action Plan in Annex B be endorsed.
