MINUTES

THE DECISION:

That the minutes of the meeting of the Committee held on 18 July 2013 (P.7 - P.8), previously circulated, be signed as a correct record.

P.10

PLANNING APPLICATIONS – DECISIONS

The Committee considered reports of the Director of Housing and Planning Services relating to applications for planning permission. During the meeting, the Head of Service referred to additional information and representations which had been received.

Except where an alternative condition was contained in the report or an amendment made by the Committee, the appropriate time limit conditions were to be attached in accordance with the relevant provisions of Section 91 and 92 of the Town and Country Planning Act 1990.

The abbreviated conditions and reasons shown in the report were to be set out in full on the notices of decision. It was noted that following consideration by the Committee, and without further reference to the Committee, the Head of Service had delegated authority to add, delete or amend conditions and reasons for refusal.

In considering the report(s) of the Director of Housing and Planning Services regard had been paid to the policies of the relevant development plan and all other material planning considerations. Where the Committee deferred consideration or refused planning permission the reasons for that decision are as shown in the report or as set out below.

Where the Committee granted planning permission in accordance with the recommendation in a report this was because the proposal is in accordance with the development plan or other material considerations as set out in the report unless otherwise specified below. Where the Committee granted planning permission contrary to the recommendation in the report the reasons for doing so and the conditions to be attached are set out below.

THE DECISION:

That the applications be determined in accordance with the recommendation in the report of the Director of Housing and Planning Services, unless shown otherwise:-

- (1) 13/01298/FUL - Alterations to part of existing outbuildings to form bakery and residential annex at Kirkby Fleetham Post Office, 3 Forge Lane, Kirkby Fleetham for Mr and Mrs Paxton.

PERMISSION GRANTED subject to an additional condition requiring that the annex not be occupied separately from the adjacent dwelling-house and bakery.

The decision was contrary to the recommendation of the Director of Housing and Planning Services. The Committee was satisfied that the development would not have an adverse effect on the amenity of nearby residents.

(Mr M Dillon spoke objecting to the application.)

THE DECISION:

That under Section 100A(4) of the Local Government Act 1972, the press and public were excluded from the meeting during consideration of the items of business at minute nos P.12 (9) on the grounds that they involved the likely disclosure of exempt information as defined in paragraph 1 of Part 1 of Schedule 12A of the Act as the Committee was satisfied that the public interest in maintaining the exemption outweighed the public interest in disclosing the information.
