Hackney Carriage/Private Hire Licensing

Licensing and Appeals Hearings Panel

Procedure

1. The hearing of matters will be less formal than hearings before, for instance, a Magistrates' Court. In particular, strict rules of evidence are not adhered to and information is not provided under oath. Nevertheless, proceedings before the Panel will observe basic rules of natural justice.
2. At the beginning of the hearing the Chairman shall:-
 - ask those present to introduce themselves;
 - explain the procedure;
 - ask the parties whether they wish permission for another person to appear at the hearing.
3. The Panel will consider whether the public should be excluded from all or any part of the hearing. This will only be done if the Panel considers that the public interest in so doing outweighs the public interest in the hearing taking place in public.
4. The Panel will consider requests for permission for other persons to appear at the hearing. Such permission will not be unreasonably withheld.
5. The Chairman will ask the Principal Licensing Officer to outline the background to the case.
6. The hearing shall take the form of a discussion led by the Panel (through the Chairman) and cross-examination shall not be permitted unless the Panel considers that cross-examination is required for it to consider the matter.
7. The Chairman is likely to ask for the views of the parties in the following order:-
 - (a) the applicant/licence holder (including any other persons who have been given permission to participate);
 - (b) any party making representations (including any other persons who have been given permission to participate).

8. The applicant/licence holder will be given the final opportunity to address the Panel.
9. The Panel may exclude disruptive persons.
10. The Panel may adjourn the hearing.
11. The Panel may ask the parties to withdraw so that it can consider its determination. In considering its determination, the Panel may ask its Legal Advisor to provide it with legal and procedural advice. The nature of this advice will be notified to the parties.
12. The Panel will make its determination at the end of the hearing and this will be confirmed in writing.

Hambleton District Council

Report To: Licensing and Appeals Hearings Panel

From: Director of Law and Governance (Monitoring Officer)

Date: 26 April 2021

Subject: **Application for the renewal of a Private Hire Vehicle Licence
Carlton Cars (N Yorks) Ltd – PH75**

Portfolio Holder: Governance
Councillor Mrs I Sanderson

Wards Affected: All Wards

1.0 Summary

1.1 Members are asked to consider whether or not to grant an application for the renewal of a private hire vehicle licence.

2.0 Procedure

2.1 The procedure for licensing hearings is attached as an Annex to the Agenda.

3.0 Background

3.1 Carlton Cars (N Yorks) Ltd is the holder of a private hire vehicle licence (plate number PH75) in respect of an Audi A8 vehicle registration mark OY59 WLH. The vehicle has been licensed since 04 April 2016.

3.2 The current licence is due to expire on 31 March 2021. A copy of the current licence is attached at **Annex A**.

3.3 A renewal application was lodged on 30 March 2021. Private hire journeys are authorised between the date of the application and the date of determination. Effectively, the applicant may exercise continuation rights until such time as a decision is made in relation to the renewal. A copy of the application form is attached at **Annex B**.

3.4 On 02 March 2021, the applicant was informed that the application would be considered by the Council's Licensing and Appeals Hearings Panel. The applicant was also invited to submit any additional documentation to support the application. A copy of the email is attached at **Annex C**.

3.5 All applicants are required to produce the following documents before a licence will be renewed:

- proof that the licensing authority’s testing arrangements have been satisfied (i.e. a test paper completed and signed by a Hambleton-based VOSA-accredited testing station); and
- a current vehicle insurance certificate or cover note which includes the carriage of passengers for private hire.

3.6 The applicant has produced the requisite documents identified in paragraph 3.4 and these have been deemed satisfactory by the Licensing Team.

3.7 A copy of the latest vehicle inspection test certificate is attached at **Annex D**.

3.8 The MOT history of the vehicle has been taken from the GOV.UK website and is attached at **Annex E**.

3.9 The most recent data shows that, on 11 March 2021, the recorded mileage was 134,181.

3.10 According to the registration document, attached at **Annex F**, the vehicle in question was first registered on 24 September 2009.

4.0 Policy Considerations

4.1 In carrying out its licensing functions, the Panel should have regard to the Council’s Hackney Carriage and Private Hire Licensing Policy.

4.2 In accordance with paragraph 3.2.1 of the policy, the Council imposes general age limits in respect of private hire vehicles. In the case of renewal applications pertaining to vehicles licensed prior to 31 December 2019, the relevant age limit is 10 years.

4.3 The vehicle in question surpassed the policy age limit 19 months ago. However, a renewal was granted in error 12 months ago without referral to the Panel. This matter only came to the attention of the Licensing Team when the latest renewal application was submitted in March 2021.

4.4 The Licensing Committee approved the adoption of an age policy to promote public safety, reliability and improved high standards of hackney carriage and private hire services in the district.

4.5 The Council’s policy can (and is generally likely to) affect the outcome of the decision in most cases and this is entirely lawful. The policy is a means of securing a consistent approach to individual cases.

4.6 Each case must be considered in the light of the policy but not so that the policy automatically determines the outcome.

4.7 The policy allows for exceptions to be made by placing a requirement on the licensing authority to consider each application on its individual merits and to depart from the general policy where the specific circumstances of a case justify making an exception.

4.8 The onus is on the applicant to demonstrate that any such exception should be made.

5.0 Determination by the Panel

5.1 Members are advised to take one of the following steps:

5.1.1 The Panel may conclude that the specific circumstances of the applicant's individual case justify making an exception from the general policy, in which case, the Panel may grant the application; or

5.1.2 The Panel may refuse to renew the licence on the grounds of any reasonable cause.

Tim

I can see now that last year's renewal should have been referred to committee but it was granted in error without first being referred.

If you make an application for renewal this year, it will be referred to the Licensing and Hearings panel in accordance with our policy.

If you wish to provide some additional documentation to support your case, please send these over to me to include in my report. Committee hearings are being held remotely at the moment via Microsoft Teams, so if you'd like to provide some photographs of the vehicle these could be useful in the absence of a physical inspection.

If you need anything else, please let me know.

Vehicle will be submitted for renewal.

The vehicle is fit for purpose, as you decided last renewal, without the need to waste tax payers money on the usual farce!

I expect the same to be the case this renewal.
