This decision will be made under the general exception contained in Regulation 5(6) of the Local Government (Executive Arrangements) (Meetings and Access to Information) (England) Regulation 2012 and the Chairman of the Council's Scrutiny Committee has agreed accordingly. The reasons for this are contained in the Notice below.

Regulation 10 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulation 2012 – Business Rates Relief – Proposed Decision on Tuesday, 8 February 2022

The Cabinet is seeking authorisation for Business Rates Relief. Because this is a Key Decision there is normally a requirement to provide 28 days' notice of the intention to make the decision. It is impractical to provide 28 days' notice of the intention to make the decision because guidance was received from Central Government requesting that that local authorities adopt schemes using their discretionary powers for these business rates reliefs and make awards from April 2022. The scheme is required to be adopted by Council in February in order to produce bills for the start of the billing cycle for 2022/23..
